Dear Parents, Students & Staff
What a great event the Book Fair was this year and how amazing that so many of our students made a purchase during the week. The response just shows the value that our parents place on books and reading.
Thank you to Miss Coucom and everyone who assisted her in the running of this event.

Welcome back this week to our campers from The Caves. The Year 4 students were exceptional in their behaviour, ability to work with their classmates and excellent attitude during the two day camp. Well done Year 4s and thank you to Mrs Forrest and Ms Morgan for organising this camp.

Well done also to Mrs Forrest’s class who were awarded a trophy for the week for the best attendance at school. Each week on parade this trophy, will go to the class with the best student attendance for the previous week.

We are already starting to look at our enrolments and staffing for 2015 and would appreciate knowing if your children will not be attending FSS next year (except for Year 6 and 7 students of course). As you will know our Enrolment Management Plan will affect Prep enrolments, with out of catchment enrolments only allowed after eligible students are enrolled.
The enrolment process for Prep next year will be:
• All preps who reside in the catchment area or have siblings still attending the school are automatically eligible for enrolment. If you child fits into either of these groups, we would love to receive your enrolment packages as soon as possible.
• Enrolment forms for all other preps will be accepted from October 16th (the day after our Prep Parent meeting). Applications will be considered in order of receipt and parents notified of the outcome of their application by end of the school year.

I will be on Long Service Leave until the end of October, with Lorraine Nielsen acting in my position before the holidays and Matthew Winter for the first 4 weeks of term 4. I am looking forward to returning refreshed for the last part of the year.

**Book Fair a Success**

Spring has sprung and not just in the garden. It seems that it did in the library too, with the gates opening on Monday to a vine tangled library filled with bugs, books and book lovers. We saw a huge number of students and parents checking out this years’ variety of novels. We proved that books are still popular; this was evident by the number sold this year. We beat last year’s sales with a total of $5110.65. WOW!! The school receives a percentage of these sales to purchase books and more for the library (which has been returned to it’s original state…. Well… Nearly!).

A HUGE thank you to all that along and bought a book. Special thanks to the staff for support this great event. Extra thank you to Riply and Piper D, and Charlie K for purchasing a book each and donating it to the school. The library has had bridges, outer space, a Hawaiian theme, Scientists and now a garden; I wonder what next year will bring?

**Competition winners:**
