Dear Parents, Students & Staff

Last week the lead up to athletics started with a successful field events day. Well done to all competitors and the place getters in each event. Our full carnival day scheduled for tomorrow is still on, however if it is raining in the morning, look out for announcements on the Facebook page.

Thank you to our Year 2 students who demonstrated their muscles by cleaning up the orchard. It looks fantastic!

Well done to our AFL team who travelled to Rockhampton to have a few friendly games with other teams.

Over the semester, children have engaged in a huge range of academic, sporting and cultural activities. They have learnt new concepts and further developed their reading, writing and numeracy skills. They have also had lots of fun!

Student report cards, which will be sent out next Monday, will provide you with a clear indication of how your child/ren are progressing against year level expectations. Please remember that if your child receives a ‘C’ rating they have achieved at year level expectations. An ‘A’ or ‘B’ rating identifies the student as achieving above year level expectations, while a ‘D’ or ‘E’ rating indicates that the student is experiencing some difficulty. Effort and behaviour comments are also important and tell a lot about attitude to school and learning.

If you have any questions about your child’s report, please do not hesitate to contact their teacher.

Instrumental Music Lessons

Tuckshop Talk
Hi Everyone! Have you put your special ‘Sports Day Tuckshop’ order in yet? I am very excited to be cooking you my delicious chicken fried rice and yummy chicken sausage rolls! Please drop your order to me at the Tuckshop, or if I’m not there - please put it in the basket at the office.

This Friday the tuckshop menu will be back to normal. I am looking for helpers for Thursday and Friday this week. If you can spare a couple of hours please drop by and let me know.

Thank you to everyone who helped out this week. Vanessa made us delicious Orange and Almond Cupcakes which were a huge hit. The children and staff absolutely love the pizza and it is so great that the pizza bases are made from scratch - thank you Michelle for making them again for us this week!

Thank you to my kitchen helpers: Barbara, Kylie, Nycole, Kath & Alicia and also to my order-counting girls: Amanda, Melinda, Deanna and Kath.

I would love to get my roster for next term sorted out before the holidays. If you have helped before and would like to do so again, grab a friend and come put your names down. We really do have a lot of fun and it is a great way to catch up.

I hope you all have a wonderful week. Regards, Amanda

School Bus Travel – Code of Conduct – Spraying of Aerosols

The Department of Transport and Main Roads has developed a Code of Conduct for School Students Travelling on Buses to ensure all passengers have a safe and enjoyable journey between home and school. It also outlines the categories of breaches of the Code of Conduct. The list of breaches is not meant to be exhaustive but is intended to provide guidance in regards to inappropriate behaviour. Parents are advised to familiarise themselves with the Code as they are expected to ensure their children are aware of the Code and their responsibilities in regards to their behaviour. When about to perform an action the student must consider the impact that action has on other passengers, the driver and their environment.

One of the breaches bus operators/drivers are constantly dealing with is the spraying of aerosols (deodorant). Spraying of aerosols may seem like a harmless action but an aerosol sprayed within a confined space (bus) is an issue that the Department and Operators takes very seriously, as there are a number of health and safety issues that may arise from this action, such as: causing respiratory problems eg. Asthma attack; being sprayed into another passengers’ eyes; flammability of the product etc.

Please also be aware an Operator may refuse travel to your student as a consequence of spraying an aerosol on the bus.

The Code of Conduct can be found at http://translink.com.au/travel-information/network-information/school-transport/safe-travel or contact your bus operator or nearest Department of Transport and Main Roads office.

Nationally Collection of Data on School Students with Disability

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

All Australian schools participate in this annual data collection.

The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know by 19 June as this is when our information will be submitted.

Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

The awesome coordinators for each stall are getting prepared for the Fair, but they need your help. On sports day, **there will be a sign up board** to register your intention to help on different stalls. You might find that your class stall fills up its volunteer spots really quickly and this is when we ask for you to choose another stall to help on. **Please help by putting your name down on at least 2 stalls for half an hour each or one stall for an hour.** Your help is greatly appreciated…the fair raises money that goes directly back into the school to assist all of our children.

**Raffle Tickets** - Last Friday a book of 10 raffle tickets went home to each family. This is the major raffle for P&C for the year. There are 4 fabulous prizes to win, and we thank the businesses who generously donated: Coolamon Mining Pty Ltd, Live Life Pharmacy, Betta Home Living, and CQ Timber & Steel. Tickets cost $2 so each book is worth $20. Once you have sold your book of tickets, please return the money and the ticket butts to the office. **If you do not wish to buy any tickets or are having trouble selling them, please return your unsold tickets to the office as soon as possible.**

**Venetian Blinds** - Seeking some old venetian blinds for the Fair …preferably white/cream. Any size. Please let me know if you have any you don't need.

**Rides** - We will be selling “unlimited rides tickets” on Sports Day so bring extra money if you would like to purchase them. This year we are doing special family prices: one child is $28/ticket; two children in the family for $55; three children in the family is $80; and four children in the family is $105. The rides at the Fair will be: the Rock Climbing Wall & Dodgem Cars for the older children; the Merry Go Round, McQueen Cars Slide and Gilligans Island (like the Worm) for the younger children; and the Giant Super Slide for everyone. Bills Amusements will sell tickets for $32 on the day of the Fair.

**Donations** - Please keep potting up your cuttings/seedlings for the Plant Stall, keep getting crafty for the Craft Stall, keep making jams & chutneys for SAK Garden Stall, bringing in your new items for the Cent Sale, and your second hand books and pre-loved things for the Book Stall and White Elephant Stall. All efforts and donations are greatly appreciated.
