Congratulations Tahlia!
Tahlia was the Gross Winner with 112 at the Under 12’s 18 Hole competition at the Interschool Golf Challenge. Well done to you and Jayden G who achieved 57 Gross in the Under 12’s 9 Hole competition.

Book Fair – Australia Story Country
What a great event!
Congratulations to the organisers Mrs Sharon Forrest and Mrs Elodie Bunce. Special thanks to the Farnborough School Community for embracing this delightful event. The costumes on the day were amazing. With highlights such as ‘The Man From Snowy River’ reciting a number of stanzas from this iconic Henry Lawson poem to Hairy Maclary stepping right out of a book and into the Prep classroom! Everywhere you looked another Australian character was there to have a yarn with. The event also bought home a resource success – raising just under $1400. This money will be spent to put new titles onto the Library shelves!

Dress Up Parade Winners
All children in costume are to be congratulated (as are their families) for the work and creativity in each and every costume!

TUCKSHOP NEWS

Big news in the tuckshop!
Our awesome little tuckshop is a finalist in the Queensland Association of School Tuckshops awards again! The awards are being held on the 4th November in Brisbane and I can’t wait! A huge thank you to the P&C, the whole school community and my absolutely fantastic team of volunteers that have made it all possible.

The last two Friday’s over half the school have been ordering, a big thank you to Julia and Amanda for helping out. The lines have been extra long and the kids patiently wait their turn and always have the most beautiful manners. Thank you to Tanya and Jodie for helping me on Wednesday.

The new menu has been a huge success with sushi and the Lunch Box being the most popular. The Lunch Box consists of a sandwich or wrap, a freshly baked muffin, juice and an apple slinky and is great value at only $5.

Have a great week everyone. Amanda
The big news for the week is that our wonderful tuckshop has again been selected by QAST as a **finalist for Tuckshop of the Year Awards**, and Amanda has been chosen to be in the running for Tuckshop Convenor of the Year. Well done to everyone who has helped make this such a success for our school – whether you have volunteered your time during the year, donated food items or supported our Tuckshop by purchasing your children’s lunches; we thank you! The big Awards night will be held in Brisbane on November the 4th. Good luck Amanda!

Many thanks to everyone who attended **last week’s P&C meeting**. It was a really positive meeting and a pleasure to be the Chairperson! There’s only one more left for the year...can you make it?

The pupil-free day saw all our staff members involved in **Professional Development** of some kind. We should look forward to the teaching staff sharing their new knowledge of ‘neuro-education’ including inspiring and engaging ways to incorporate areas of the curriculum while helping create positive futures for our students.

Margie is still looking for **volunteers to assist with the Recreational Activities** that are coming up in Weeks 5, 6 & 7. If you are new to this, she is looking for parents or grandparents who have a hobby, skill or passion that they would like to share with a small (or large) group of children. It can be almost anything! You get to target which Year Level the activity would best suit, and also can choose whether you could cope with 6 students or 16...depending on the activity. The activity afternoons are on a Friday, 2pm – 3pm for 3 weeks, so only 3 hours of commitment. Please see Margie or me for further clarification or to offer your services. It could be knitting, bike maintenance, touch footy, collage creations, jewellery making ... the list goes on.

A **fundraising event is being held this weekend by the Cap Coast Cricket Club** for one of our Farnborough families – please see the flyer in this newsletter if you would like to find out how to get involved. You can also purchase raffle tickets from Stacey Maddy or Stacey Green. This is not a P&C initiative, however all proceeds go towards helping a school family.

**HPE & SPORT NEWS**

**SWIMMING**
This week our younger year levels (Prep – Yr 2) as well as the Yr 6 cohort will commence their aquatics programme. Please ensure all clothing and swimming apparel is labelled for easier identification. If your child is a bit of a frog (like me) they may need a jumper packed for after their lesson. Year 6 students need a long sleeved shirt and long pants as part of their swimming programme assessment. Parents are most welcome to come along and watch or be involved in the swim programme. If you have a younger child we also encourage you to bring them and just enjoy the water with your younger child whilst your other child is having their class lesson. We welcome parental assistance in the change rooms with the younger grades, but as the term progresses we encourage the students to become more independent. This is part of the junior swim programme. Thank you for your anticipated support.

**RECREATIONAL ACTIVITIES**
This programme is commencing in Week 5 (Friday November 4th). The programme runs over three (3) Friday afternoons from 2.00pm to 2.55pm. The idea of this programme is to show/teach-involve a group of students some old/different/fun/interesting skills/activities! At this stage we have activities like Chess, Jigsaws, Xmas Craft, Singing, Drawing, Gardening, Construction, Tie Dying, Fishing skills, Board games, Marbles and a few more. I would certainly welcome some parents on board who would be happy to work with a small group of students. Perhaps two (2) parents would feel more comfortable working together on a craft activity or perhaps we have someone (even grandma) who is happy to show 4-6 students how to knit or crochet…. Scarves sound good. I will be distributing the activity sheets out to students on Thursday with selections to be made and sheet handed back into the class teacher by Friday ready for sorting out. If you are interested or can help out, please let me know ASAP so that I can add you to the list. Sadly, this year, at this stage we have no parents/grandparents involved in the Recreational Activities programme.

**TENNIS TOURNAMENT**
Round One games are slowly being finished with some of our students being placed into the Finals Draw. Well done to all of our students who have been involved in this activity gaining points for their house team.

**GOLF**
Yesterday (Monday 17th) two of our students – Tahlia T and Jayden G both represented our school at the Interschool Golf challenge. Tahlia was the Gross winner with 112 of the Under 12’s 18 Hole competition and Jayden had 57 Gross for Under 12’s 9 Hole competition. Well done to both of you!

**GARDEN GNOME GOSSIP**
Thank you to our garden contributors….whether you are a weeder, a waterer, a worm farmer, a plant and produce buyer or a bug collector! We have all ages and interest groups visit the garden each Thursday. If Thursday doesn’t suit you and you want to contribute in some way….there are six(6) more days in the week when we would love to see you visit the garden or be involved in any of the ongoing chores… always something to do. At the moment, we have a few projects on the go, but our produce is still growing with a little bit of love!

Last Thursday the Year 4 class had a visit from Councillor Adam Belot and Mr Sean Fallis. Sean was able to discuss, answer and follow up questions about our rubbish and recycling questions. The Year 4 students were very much engaged, with now an excursion being planned to visit the recycling centre at Parkhurst. As a group and school cohort, we are trying our best to educate our students and community members to Re-Use, Recycle, Re-Think and Reduce. We’d appreciate family support here!

I’m away on Long Service Leave for a couple of weeks as of next week. Mrs Kathy King will be replacing me in both “jobs”.

Have a great active and healthy week. Margie
COMMUNITY NOTICES

Please take the time to check the notice board for more community notices

- Keppel Community Band Inc - Gala Concert
  Nov 5th  2:00pm @ TSS
