Dear Parents, Students & Staff

Welcome back to Term 2!

The Centenary of ANZAC is one of the most significant commemorations to take place in our lifetime. As part of this national event, the Livingstone Shire Council has developed a ten day program of activities to honour and reflect upon the service and sacrifice of all those who have worn our nation’s uniform - past and present. Last Friday night, my husband and I attended the first activity - the *Schools’ Centenary of ANZAC Art Exhibition* launch. The Farnborough State School mural met us proudly at the top of the Yeppoon Town Hall stairs and was the collaborative work of thirteen students supported by teachers and parents. Every one of the sixteen schools in our shire had transformed a blank piece of plywood to produce a mural which reflected the ‘Spirit of ANZAC’. This Wednesday, our students, with their mentors, have been invited to a civic reception at the Yeppoon Town Hall to recognise their contribution to the event. The calibre and thoughtfulness of the artwork is impressive and I encourage everyone to view these wonderful murals over the next three months.

This Friday at 2pm, the school will hold its *ANZAC Day ceremony* and on Saturday morning Farnborough State School students will be part of the traditional ANZAC day street march. If your child is interested in being part of the march, please ensure full uniform, hat and water bottle. Students must report to the old railway station by 8:30am Saturday. Students may choose to go home at the conclusion of the march or stay on to attend the main service which will commence at 9:30 and usually lasts an hour. Participants are asked to respectfully not leave once the ceremony has commenced. ANZAC day merchandise has been provided by the local RSL and is available for purchase at the front office.

The final week of Term 1 saw a number of significant events take place. *Crazy Hat Day* was a huge success with some very creative and colourful creations worn by students and staff. Funds raised go towards supporting Capricorn Coast Chaplaincy, with our school’s funds go towards supporting our school chaplain. In addition, Mrs Butler and myself visited classrooms to examine bookwork and tally points towards the *Spirit Award*. Bluebottles were the victors in the first round. Finally, on Friday morning our *Early Morning Readers* and teacher aides were invited to a Pancake Breakfast. This was in recognition of their tremendous commitment to further improving reading skills. A new group of early readers have commenced the program today for Term 2. These sessions are run for extension and support groups.

The renovations to the *tuckshop* have been progressing well and the newly refurbished kitchen will be open for business in Week 2. We congratulate Amanda McLardy on her appointment as the new convenor. Further details of the new menu and operating days can be found in the P&C report. I hope you will support our tuckshop, which is another integral part of our school fundraising.

Till next time

*Lorraine Nielsen*  
Acting Principal.

**FROM YOUR P & C ASSOCIATION**

The tuckshop renovation is complete! We would like to take this opportunity to thank the wonderful team of subcontractors who delivered a thoroughly awesome finished product, donating much of their labour hours, and were great to work with too!

Huge thanks to:
- Aaron Leahy from Keppel Kitchens
- Geoff Harris from Maxta Electrical Solutions
- Matt Harding Plumbing, Drainage & Gasfitting
- Paul Jones from Yeppoon Airconditioning & Refrigeration
- Joshua Richardson from Designer-Crete Flooring

We were also given great deals by:
- Craig at Betta Home Living, on electrical items
- Bridgette at Tradelink for our sinks & tapware
- and the team at Concept Tiles for our kitchen splashback tiles.

Many volunteers helped along the way to get the renovation completed in time for Term 2 opening including Kellie Stock, Stacey Green, Jordin Wiltshire, Deanna Gardner, Adam King, Michelle Hollingsworth, Lee-ann Lovegrove, Justine Hodges, Barbara Horton and Bec Allen. Special thanks to FSS parent and Livingstone Shire Councillor Adam Belot, for donating his time and materials to complete the tiling work required. Adam is a strong advocate for our community and he is always happy to talk about issues pertaining to our local area!

Congratulations and welcome to our new Tuckshop Convenor Amanda McLardy. Amanda is a parent of three children at FSS, and has been working (on and off) in the food and hospitality industry for over 20 years. She is full of enthusiasm as well as experience, and her tuckshop menu looks very appetising. If you have a child with allergies and would like to know what exact ingredients are in any of the food items on the menu, please contact Amanda on 0414 320 486.

Tuckshop will operate on Wednesdays and Fridays at first break only (11:00am) beginning in Week 2. If you are able to help prepare or serve on tuckshop days, please give Amanda a call. The menu as well as an order form is attached to this newsletter. Copies can also be found on the FSS website, FB page and in the office.

Next Thursday 30th April all Prep parents are invited to a ‘Prep/Parent Planting session’ in the Tuckshop Garden, followed by a cuppa in the SA Kitchen. The planting times are 9:00 – 9:20am for Prep Purple and 9:20 – 9:40am for Prep Yellow. It is only a small garden. Please bring along a herb or edible flower seedling to plant.

Are you in need of some inspiration when it comes to packing school lunchboxes? To coincide with the opening week of the Tuckshop and the Prep/Parent Planting Session, at 9:45am on Thursday 30th April, we will be holding a ‘Tea & Talk’ in the SA Kitchen. Anita Rossiter, a family nutritionist (and FSS parent of three girls), will be talking about healthy lunchboxes and giving advice on what to feed your munchkins to keep them functioning on all cylinders. Anita has written a book called ‘Sandwich Free, Packet Free Lunchboxes’ which will be on sale for $20, and she will donate $5 to the P&C for each book sold. Everyone is welcome to this informal gathering, 9:45 – 10:30am. Morning tea provided.

In regards to the 2015 Farnborough Fair (Sunday 26th July) we are still seeking a group of parents to coordinate the Craft Stall, and two more parents who are willing to help the lovely Vanessa (Prep Aide) on the Face-Painting Stall. Please contact me if you think you might be able to help with either of these roles.

GARDEN GOSSIP
HOLIDAY WORK
Thank you to Kathy King and Justin Roth who came in over the holidays to assist me with our ongoing projects for 2015. I still need extra adult help with some areas and would certainly welcome the extra hands whenever this may suit. We do have a number of “projects” to try to accomplish this year along with the ongoing “chores” which always need attending.

GREEN CLUB
is on Tuesday afternoons from 3pm to 4:15pm however if this does not suit your family timetable please feel free to contribute when it is feasible. Thank you to Kellie Stock who is volunteering some time each Tuesday through the school hours.

BETH-LEA BELL - from the Qld Frog Society Inc.
Our Year 1’s and Year 4’s and 6’s were lucky enough to spend some time with Beth Leas during the last week of Term 1. The Year 1’s went for a walk around the local area and spotted some “toadpoles” and then built a frog pond in a more shaded area, which will hopefully attract more frogs to our garden. The Year 4 and Year 6 students were totally engaged in Beth-Lea’s talk about the Frogs of CQ. Some interesting and purposeful questions were asked by our students.

On the LOOK OUT for CHOOKS
Unfortunately, we lost the remainder of our hens aver the holiday break, due to some unwanted visitors. If anyone is able to donate 1 or 2 laying hens for our chook pen this would be much appreciated. It would be great if we could have 6 hens again as we can not only use the eggs for the cooking classes, but the tuckshop ladies can also use them.

Please let me know if you can possibly help out with any of the garden issues.

Thank you Margie.
