Dear Parents, Students & Staff

Welcome to week three at Farnborough State School. It is a scary thought that the end of the 2014 school year is only a bit over seven weeks away. Between now and then, is a very busy schedule for schools with a number of tasks needing to be completed in order to wrap up this year and to commence preparation for next year.

Thank you to all who attended our Prep Induction afternoon last week. We have appreciated the interest in our school and I can confidently say that you have made an excellent choice to be a member of Farnborough State School. Mrs Mills, Ms Barram, Mrs Clayton and Our P&C president Michelle McCann, all need to be thanked as well for their excellent work in making the afternoon the success it was.

With the school being enrolment managed and the fact that we will be beginning to be looking at class structures and staffing for 2015 over the coming weeks, could all families who will be leaving the area/school, please ensure that they notify the school on the earliest possible occasion. This just helps us to manage and handle these tasks with some more certainty and avoids any late “surprises.”

Always remember to read with your children. As the saying goes “Children learn to read in the laps of their parents.” Listening to your child read/reading to your child provides extra reinforcement of their reading and provides you both with some quality shared time together. If your child is older, take the time to engage them in a conversation about what they have read, their thoughts on the book/characters and share your thoughts too.

Have a great week

Matt Winter
Acting Principal

BOOK CLUB
All orders due back this Thursday 23rd October. Remember, if ordering gifts clearly write on the order form “GIFT” along with a contact number. Thanks Del. PH: 0439758163.

Student of the Week Awards
Week 2 — Term 4

P & C NEWS
Children’s Development Businesses
This week’s newsletter features the start of the “Children’s Development” Advertising section. This section is dedicated to local businesses that specialise in the development of children’s talents and abilities. If you have or know of someone who has a business dedicated to helping children reach their full potential and would like to advertise, please contact the P & C Committee at pandc@farnboross.eq.edu.au.

A 45mm x 90mm advertisement for Term 4, 2014 is $20 and for the 2015 school year it is $50 (40 weeks). This is a cost effective way of generating interest for 2015 enrolments, capture new families to our school and those families that change between Summer and Winter activities.
