Next Sunday 27th July is the big day….

Set up for our Fair is from 9am this Saturday. We need big muscles to put up marquees and shift tables. Please come and help if you have the time. If you have a truck that could pick up 10 tables from St Brendan’s college on Saturday morning you please call our office.

Please return all Raffle Tickets sold or unsold to the office by this Friday. Spare raffle books are available from the office if you would like to sell more.

All day unlimited Ride passes are still on sale. Rachel is set up each morning and afternoon at a silver picnic table in front of the new prep room. You can also fill in the slip on the bottom of the flyer and return with your money in a clearly labeled envelope to the office. Tickets are $28. If we sell 150 tickets before tomorrow the ride people will bring a Bucking Bull for Mrs Butler to have a go on. So far we have only sold around a third of this amount… come on everyone get your Ride Tickets on Wednesday morning!

Please place your Scarecrow in the garden on the day of the Fair, or before, and bring your $5 entry fee to the information desk on the day of the Fair to enter. We will record a description of your creation, your name and class so we know whose is who. There is still about ½ a hay bale outside the SAKG shed for filling your scarecrow.

Would you like to win $1000. For a $20 ticket price, you have a 1 in 100 chance of winning. Selling every morning this week in front of the uniform shop. Better odds than a scratchie or gold lottery! Phone Kathy King on 0400 681 442 if you can’t make it to school to purchase a ticket. “Where Will The Paddy Poo?”

We will announce the Colouring Competition winner at Parade on Thursday. Thank you to all those students who did such beautiful work.

Roster sheets have been pinned up for the BBQ, White Elephant, Craft Stall, Plant Stall, Cent Sale, Info Desk and Face Painting Money Taker. Please write your names on a time slot for one or some of these stalls. Your “time helping on the day” will be greatly appreciated by those people that have worked so hard over the last couple of months to collect items, organise and then set them up.

SAKG Stall
Do you have any thing you can bring in for us to sell at the Stephanie Alexander Kitchen Garden Stall. WE NEED FRESH PRODUCE TO SELL ON FAIR DAY.
Do you have a lemon or mandarin tree, or a few spare vegies or herbs growing that we could sell?... all donations welcome. We have been given some lemons and have ingredients ready to make lemon butter? A thermomix could do it quick! Everything is ready to go but the person who usually makes it is sick and unable to help this year. please contact Sue on 0488397700 if you can help.

Garage Sale/ White Elephant
Do you have any spare coat hangers to give away or any portable cloths hangers (that could be returned to you) these are needed urgently for Saturday set up.
We will be starting to set up the Garage Sale after school on Friday from 3.00pm and also Saturday if you can spare an hour or two to help this would be fantastic. Please bring large items in on Saturday to the Hall ie bikes and furniture. We will even accept donations on Sunday Fair Day. All Helpers get first pick of all the treasures for Sale. – Thanks Sue

Dear Parents, Students & Staff

Our netball and rugby teams competed in the Regional Shield last week. The Rugby team won five of their games and the netballers brought back the Regional Plate for their efforts. Importantly, parents described wonderful sportsmanship and behavior that made Farnborough students stand out over the two days. Well done to all competitors and thank you to Margie, Rick and Granty for their support and assistance.

Well done Izac, who travelled to Brisbane to represent Capricornia in Rugby League recently – and scored a try for the team. It’s an amazing achievement to be chosen at this level.

Every July NAIDOC celebrations are held around the country. Last week, we acknowledged this important event on our parade. The new AV system was used (for the first time) to show celebrations and indigenous award winners across a range of areas. Miss Jacienta also presented an Indigenous Dance demonstration and explained this dance format to students.

Thank you to the Smith, Lovegrove, Bunce, Gilmour, Wenn and Skahill families for your help last weekend to ready the school grounds and some stall items for the Fair. This weekend we will need lots of support! We need helpers on Saturday (from 9am) to erect marquees, move tables and set up stalls – please come along if you can assist. We also still need helpers on Sunday to help man the stalls – there are a number of rosters near the uniform shop to indicate where you can assist. We will also need people to stay and help pack up at the end of the day.

There are many other ways you can help which are outlined in the Fair notice later in this newsletter. Our Fair is always fantastic event and the major fundraiser for the year but we need your help – please get involved wherever you can.

Carol Butler-Mader (Principal)
Parents please note:

Please be aware that there has been a case of Hand Foot and Mouth and a case of Mumps diagnosed amongst students. Factsheets can be found at the following links:

---

**Student of the Week Awards**

**Prep M**

**HPE & SPORTS NEWS**

Congratulations to our Regional Shield Boys and Girls who last week represented our school with great pride at the annual Rugby League and Netball carnival. There were 24 teams in the boys Rugby League competition. The boys played seven (7) games over the two (2) days whilst the girls played eight (8) games of Netball. I have no doubt there were some tired bodies on Friday night!

Our girls were the silverware recipients this time with them bringing home the “Plate Trophy”. The girls played Frenchville Nos 2 in the Plate Final. The final score was 16-6. The girls finished 17th overall from the 32 teams whereas the rugby league boys finished 8th (overall) from the (24 teams). A presentation of Players Player and Incentive Awards will be given on parade this Thursday.

Thank you to the parents who assisted over the two days!

**KCD T & F**

Good Luck to all of our students competing this Wednesday at the KCD Track & Field Carnival. Books of 5 raffle tickets were sent home with all athletes on Monday. Please ensure these are returned on Wednesday.

Don’t forget this carnival commences at 8.30am so all athletes need to be at school in their sports uniform with hats and all other gear by no later than 8.15am. Thank you to our parents who are able to assist out on the day.

**HELP NEEDED**

I have recently purchased some new sporting gear which needs to be put together - a portable Junior Basketball stand, a portable Netball post, some Junior Soccer Nets and a few other bits n pieces. I was hoping there may be a handy dad or pop or (mum!) who could spare a couple of hours to sit down and piece these bits of equipment together. Please let me know if you are able to assist me out with this.

**GARDEN NEWS**

Well I had my first day in the garden with the students last Wednesday and an enjoyable day was had! Thanks to the parents and green clubbers who weeded some of the citrus trees on Wednesday afternoon. Thank you to the volunteers who came in over the weekend to tidy up the kitchen garden and orchard-looks great. I came in on Sunday to water and print out some paperwork for the KCD carnival and was pleasantly surprised! I hope there are plenty of scarecrows being created as they are always a colourful welcome to the garden.

Due to the KCD Track & Field commitments over the next three(3) weeks I will not be able to attend Wed Green Club however if parents are happy to attend and continue maintenance work with their children I am happy for this. Thank you to Pam who is sheltering the chooks and giving them an extended holiday! They will return...

Thank you To Krissy Smith (Mum and Teacher Aide) who has once again created me a fantastic bright interesting garden work shirt. Kris created my Sports day Team Shirt quite a few years ago. Thanks Krissy!

Have a great week. Margie
