TUCKSHOP TALK

Our fantastic newly renovated tuckshop opens tomorrow with an exciting new menu. The positive feedback I have received has been incredible. Thank you for the wonderful ideas, thank you to those who have offered to help out and thank you for the encouragement from so many of you.

Tuesday and Thursday afternoons from 1.30 to 3.00pm will be spent prepping for the next day. If you could spare an hour at that time, please call or drop by to help out. Our tuckshop days are Wednesday and Friday mornings. If you are free during that time your help would also be greatly appreciated. A volunteer sheet is hanging on the front window of the tuckshop. Drop in and pop your name on there or give me a call. Don’t worry if you can’t cook! There are many easy jobs that can be done to help things run smoothly. Please note that due to Workplace Health & Safety regulations babies and children of any age are unable to be in the kitchen.

Do you have a great healthy recipe that we could use for our surprise homebake? Home baking is a great way to contribute if, due to other commitments, you are unable to assist on tuckshop days.

Please contact me if you have any ideas or queries, on 0414 320 486.

FROM THE FINANCE DESK

Dear Parents, Students & Staff

Since returning from holidays, our students have been buzzing with enthusiasm during learning activities and when participating in a range of cultural events.

Last Wednesday, Farnborough State School students who participated in the Centenary of ANZAC Schools’ Art Exhibition were invited to the Yeppoon Town Hall for a civic reception and to view commemorative murals from the other fifteen participating schools. Every student was presented with a special commemorative certificate of appreciation for their unique and inspiring work. Livingstone Shire Mayor, Bill Ludwig along with representatives from the Emu Park and Yeppoon RSL thanked and congratulated students for their participation.

The Year 6 students under the guidance of Mrs Forrest, Rick and Miss Jacinta conducted our school ANZAC ceremony, on Friday. The hall looked fantastic with images from library posters, old maps, poppies and Year 3 and 4 student work. The RSL representatives shared their thoughts and showed students samples of headwear worn by military in past conflicts.

The annual ANZAC street march was well attended by Farnborough students. Thank you to all the parents and students who took part in this special event and laid wreaths on our school’s behalf.

Our newly refurbished tuckshop opens tomorrow. The renovations look fantastic and the menu exciting! Food orders can be placed by 9am on Wednesdays and Fridays.

Students will return to the harbour at 2.30pm on Friday.

Tomorrow, Mrs Butler returns from Long Service Leave. Thank you for your cooperation during this time.

Have a great week.

The tuckshop opens tomorrow! During Term 2 it will operate on Wednesdays and Fridays at first break only. If you are able to help prepare or serve please give Amanda a call. The menu and order forms were attached to last week’s newsletter but can also be found on the school website – https://www.farboross.eq.edu.au/ under the ‘Support & Resources’ heading in the ‘Documents’ folder; and on the Facebook page - https://www.facebook.com/farnboroughstateschool. Orders must be left at the tuckshop window by 9am. If you have a child with allergies and would like to know what exact ingredients are in any of the food items on the menu, please contact Amanda on 0414 320 486.

This Thursday 30th April all Prep parents are invited to a ‘Prep/Parent Planting session’ in the Tuckshop Garden, followed by a cuppa in the SA Kitchen. The planting times are 9:00 – 9:20am for Prep Sherriff and 9:20 – 9:40am for Prep Barram. Please bring along a herb or edible flower seedling to plant. To coincide with this, at 9:45am we will be holding a ‘Tea & Talk’ in the SA Kitchen. Our guest speaker Anita Rossiter, will be providing easy, nutritional food ideas for lunchboxes in the aim to reduce the processed foods that often ends up in...
