Dear Parents, Students & Staff

After a moving Anzac ceremony run by our Year 6 & 7 students, it was pleasing to see such a large contingent of students, teachers and parents marching for Farnborough State School at the community parade last Friday. Thank you to those who attended.

It was disappointing to see students wearing footy shorts at our school ANZAC ceremony. As this was a formal event, all students needed to be wearing formal shorts/skort. Please ensure that your child does have a formal uniform for this type of event. Now that winter is coming, all students will need a school jumper or jacket which are available from the uniform shop. Any other jumpers are not suitable and should not be worn to school.

Sorry for the late publication of this story, but finally here are some photos of our Year 2 students on excursion to the Heritage Village. Students enjoyed a ride on the Fire Engine, a lesson in an ‘olden day’ classroom and made friends with a wayward donkey! Staff from the Heritage Village staff once again commented on the excellent behaviour of our students. Thank you to Mrs Orgill for organising the day and Mrs Waller and the parents who came along to help.

Carol Butler-Mader (Principal)

BOOKS, BOOKS and MORE BOOKS!!!

A big thank you to all the parents who have come forward and taken some more books home to cover.

If you could please return the covered books (as you go) back to the library, don’t hang onto them all until you are finished. That way we can start coding the books as you bring them in and not leave it till the very end. It’s a big job!

Thank you.

Ellen Clayton HOC

BUNGUNDARRA BUS ROUTE
At present there is no bus service that takes Farnborough students directly from Bungundarra to Farnborough School. We are trying to address this issue and get the bus route changed so there is no need to interchange in town. If you live along Bungundarra road, Daley Creek Road, MADGES, Ingrey, Paddy’s Swamp Rd and would prefer that the bus company could change their route to drop our children to school please contact Jo Beatty on 043 797 4271.

COMMUNITY EVENTS

Promoting healthy weight in children

Families in and around Rockhampton can sign up to a free government funded program which aims to increase activity and healthy eating for the whole family. The program, called PEACH™ (Parenting, Eating and Activity for Child Health), is available to families with a child 5-11 years who is above a healthy weight for their age.

As part of the program, families attend 10 fortnightly sessions, with additional support in the form of three phone calls. The sessions see parents learn and problem solve in a group environment while their children enjoy active play with a trained child physical activity facilitator.

Some of the topics covered in the program include nutrition skills, relationships with food and eating, changing family lifestyle behaviours, making healthy eating affordable and overcoming resistance.

PEACH™ Program Director Professor Lynne Daniels, Head of QUT’s Exercise & Nutrition Sciences School, said the program armed parents with skills to combat modern pressures around food and encouraged them to be more active as a family.

The PEACH™ program is being funded by Queensland Health under the National Partnership Agreement on Preventive Health - Healthy Children. It will be delivered by Queensland University of Technology using trained PEACH™ facilitators.

If you would like more information about the PEACH™ Program please free call 1800 263 519 or register online at www.peachqld.com.au
