Dear Parents, Students and Staff

Last Thursday and Friday a group of our students competed in the Regional Shield competition in both Netball and Rugby League. Both teams competed well and participants will be acknowledged and awards presented on parade on Friday. Thank you to Margie, Jenny and Kris for their coaching of these teams and to Margie, Jenny and Rick for supporting the teams throughout the competition. Thank you also to all the parents who transported children and attended the competition.

Our grounds look fantastic for the Fair which begins at 9.30am on Sunday; thanks to the families and staff who attended our Working Bee on Saturday. We are in need of helpers still. On Saturday we will start to set up from 9am and many hands will definitely make light work. If you are able to help just come along and you will definitely find a job to do! There are still a lot of time slots requiring people to help out on various stalls on Sunday. If you can spare an hour please put your name on one of the stall rosters on the notice board at the Office. Remember that all funds raised will go towards the refurbishment of our Hall and benefit all our students.

**REGIONAL SHIELD**

Congratulations to all of our students who travelled to Rocky last Thursday and Friday and participated in the CQ Regional Shield. Our girls placed 16th overall and the boys 22nd. It was a busy few days but thankfully the weather was kind this year so the students were able to support each other when there games were not being played at the same time. Girls just seem to have a different method of cheering and supporting which the boys did find funny! This Friday on parade we will present a few awards to a couple of players from each team. Thank-you to Rick and Jenny and the parents who assisted with the transport arrangements and supported the students over the two days. Thank you also to Kris Smith who assisted with training the Netball girls in their lunch hours.

**TRACK & FIELD CARNIVALS/ TRIALS**

This term some of our students will be involved in further carnivals on our oval and hopefully we may even get some representatives to the Cap Trials in Mackay. This Wednesday is our KCD Interschool carnival and we wish all of our participating students the best of luck. After this carnival a second one on Wednesday August 7th – the Greater Rocky where students from KCD ,R’ton and some Callide Valley schools will trial against each other vying for a position to travel to Mackay to attend the Capricornia Trials. Parents are most welcome to assist on either of these days. **All students involved in the KCD carnival need to ensure they are at FSS by 8.20am. On arrival please report to Rick on the oval.**

TERM 3 HPE INFO
This term all year levels are involved in major and modified sports – either team or individual ones. Supporting the programme this term will be a variety of sport development officers. Over the next couple of weeks Dominic Draper (ARL) will take over from Sally Galloway as the students finish a three week block of Rugby League skills. Then two coaches from Robert Beak Tennis will be at the school for a day to work with half of the classes. For our younger students over a four week Friday block we will have Doug Gardner from the Greg Norman Foundation leading the way on correct golfing skills. Another different individual & team sport we will be looking at is 10 Pin Bowling. The Reds Rugby Union programme (an after school cost) is also commencing at FSS this week. In between these visitors the students will be working on either Football (Soccer), Basketball and T’Ball/Softball skills. Hopefully by giving our students a taste of a variety of sports they may choose to pursue one (if not already doing such) and this in turn will assist with their physical and mental health.

See You At The Fair!! Margie

Look Out for “The Create a Cupcake Creature Stall” at the Fair
"Checkout these adorable Creatures that you will be able to decorate yourself at the Fair this year! The 'Create a Cupcake Creature' stall will be located next to the Prep’s ‘Lucky Dip’ stall. You can choose to make your favourite school house mascot; Green Croc, Redback or Bluebottle; or a Cuddly Koala, Brown Bear or Friendly Fish! And the best part....then you get to eat it!
(Sorry, Lady Bug not available, as we have replaced it with the Bluebottle)"
