Dear Parents, Students and Staff

During terms three and four this year, a number of students from years 1 to 3 have been involved in a special morning reading group. These students have been attending 30 minutes of extra reading support starting as early as 8am and the improvement in their reading has been outstanding. On parade last week we acknowledged the students from this group who have been consistent in their attendance, only missing the odd day due to illness or injury. Well done to these students, many who have jumped a number of reading levels, and to their parents for their commitment and enthusiasm towards this program.

Thank you also to Ellen and Di for developing resources for the program and to Maree, Cheryl, Sue and Kris for their work with the students.

As part of the Travel Smart initiative, there will be a poster competition with students depicting their best Travel Smart message. The will be 5 categories:

- Prep, Prep/1 and Year 1 – Road Safety
- Year 2 and 2/3 – Ways to Travel Smart
- Year 3/4 and 4/5 – Bike Safety
- Year 5/6 and 6 – Bus Safety
- Year 7G and 7H – Ways to Travel Smart

The competition will be judged by a representative from the Travel Smart Program with the winner from each category being present with a sporting pack to the value of $50. The will also be a lucky prize of a Bike and Helmet with the winner of this prize drawn from all entrants. Winners will be announced on the last parade for the year.

KITCHEN NEWS

I would like to say thank you to my regular helpers, these lovely ladies come week in and week out and help out in classes that their children are not even in, without you I couldn’t do it, so thank you 😊 Remember if you would like to come and enjoy one of our Tuesday classes please drop me a quick message to say you are coming 0414 320 486 or email amanda@mclardy.com.

Regards, Amanda

Friday Night Steaks  -  Due to the limited response it has been decided to cancel this event.

HPE NEWS - RECREATIONAL ACTIVITIES

Commencing on Friday November 16th (week 6) our students from Prep to Year 6 will all be involved in our School Recreational Activities Programme. At this stage we have 16 activities for them to choose from but would love to include a few more! If you are able to assist with any of these activities we would appreciate this. I’m hoping that possibly 1 or 2 Dads / Uncles / Grandads (or female relations!) could possibly work together to show a small group how to set up a fishing line, cast a fishing line or perhaps fix or put together a bicycle etc etc – some of those pastime activities which we sometimes take for granted that everyone knows how to do!

Perhaps we have someone who enjoys singing and would like to share this. If you can help with any activity please leave your name at the office or track me down!!
Rhys P is currently representing Capricornia School Region in the team sport of cricket. The state titles this year are being held in Bundaberg. We hope Rhys is enjoying and learning from this experience.

SWIMMING – THANK YOU
To our many parent volunteers in and out of the water! Your assistance, interest and support are appreciated. A reminder to our students in Yrs 5/6 and 6 to ensure they not only bring their swimming apparel but they also pack a long sleeved shirt and long pants in their swim bags. This clothing is needed during their swim lesson.

*Have a Healthy Active Week*  Margie.
